And he was transfigured before them; his face shone like the sun and his clothes became white as light. (Mt 17:2).

Majestic Voice: Scott Hahn Reflects on the Feast of the Transfiguration of the Lord

High on the holy mountain in today's Gospel, the true identity of Jesus is fully revealed in His transfiguration.

Standing between Moses and the prophet Elijah, Jesus is the bridge that joins the Law of Moses to the prophets and psalms (see Luke 24:24-27). As Moses did, Jesus climbs a mountain with three named friends and beholds God's glory in a cloud (see Exodus 24:1, 9, 15). As Elijah did, He hears God's voice on the mountain (see 1 Kings 19:8-19).

Elijah was prophesied to return as the herald of the Messiah and the Lord's new covenant (see Malachi 3:1, 23-24). Jesus is revealed today as that Messiah. By His death and resurrection, which He intimates today to the Apostles, He makes a new covenant with all creation.

The majestic voice declares Jesus to be God's own beloved Son, in whom the Father is well pleased (see Psalms 2:7). God here gives us a glimpse of His inner life. In the cloud of the Holy Spirit, the Father reveals His love for the Son, and invites us to share in that love as His beloved sons and daughters.

Shadowed by the clouds of heaven, His clothes dazzling white, Jesus is the Son of Man whom Daniel foresees being enthroned in today's First Reading.

He is the king, the Lord of all the earth, as we sing in today's Psalm. But is He truly the Lord of our hearts and minds?

The last word God speaks from heaven today is a command—"Listen to Him" (see Deuteronomy 18:15-19). The Word of the Lord should be like a lamp shining in the darkness of our days, as Peter tells us in today's Second Reading.

How well are we listening? Do we attend to His word each day?

Let us today rededicate ourselves to listening. Let us hear Him as the word of life, the bright morning star of divine life waiting to arise in our hearts (see Revelation 2:28; 22:16).

Those serving in our military:

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

August 6, 2023 -The Transfiguration of the Lord

What is Christianity finally about? These days if you ask almost anyone who doesn't know the Bible you'll probably hear an answer like this: "Being a good person" or "following the golden rule." No offense to the golden rule, but our faith is simply much stranger than that. This week's feast of the Transfiguration of the Lord is a luminous example of this. Jesus becomes radiantly and overwhelmingly beautiful. The glory of God literally shines forth from his body and even his clothes. Here we see that Christianity is not mainly a moral system, but a relationship with God in Christ, one that finally makes human beings gloriously beautiful.

Now we can see our good and bad deeds in a new and de-centered way. Our morality isn't about a heaven or hell scorecard. It's about lives open (or closed) to transfiguration, lives capable of revealing the glory of God in Christ to the world. Spouses, children, friends, co-workers, priests, consecrated women and men, and so on – we are all called to let the beauty of Jesus make our lives beautiful, little by little. His beauty in us is the center of our faith.

CATHOLIC MINISTRIES APPEAL

DIOCESE OF ROCKVILLE CENTRE

*One Family - Journeying together in
Communion, Participation and Mission*

"As each has received a gift, use it to serve one another, as good stewards of God's varied grace"
1 Peter 4:10

Sharing Our Gifts through the CMA

Stewardship is the grateful response of every Christian disciple to share our God-given gifts of time, talent and treasure in a way that passionately sets our hearts on fire and touches the lives of others, as we live the corporal and spiritual works of mercy. The Catholic Ministries Appeal is an excellent way to journey through the Pillars of Hospitality, Prayer, Formation and Service to express your gratitude to God.

Through the Pillar of Hospitality and Service, many parishes form CMA committees to support a smooth and organized Appeal effort and by creating a welcoming environment for all. Others share their gifts by volunteering in the ministries that the CMA supports, such as formation classes and parish outreach programs.

Through the Pillar of Prayer and Formation, the Catholic Ministries Appeal brings us closer to those we help and support as we become more "connected" with our sisters and brothers through prayer and evangelization ministries. We may wish to pray for those who support and volunteer for the committee and for those who receive support from the appeal.

The CMA provides an opportunity for stewards to use their treasure to serve more than 600,000 of our sisters and brothers each year in our formation and Catholic Charities pastoral programs. It is rare that just one person or one parish could touch this many lives. The CMA brings us beyond the individual, the group and the parish and unites us as one Church of Long Island.

The Catholic Ministries Appeal is Stewardship in action!

To donate, you can also visit <https://www.drvc.org/CMA>
or call us at **516-678-5800 ext. 296**.

To learn more about Stewardship, visit: <https://www.stewardshipli.org/>

Our 2023 CMA goal remains at \$55,000 and we have received \$27,960.00 to date from 65 donors.

DID YOU KNOW?

Planned Gifts of IRAs are not the best assets for family members to inherit?

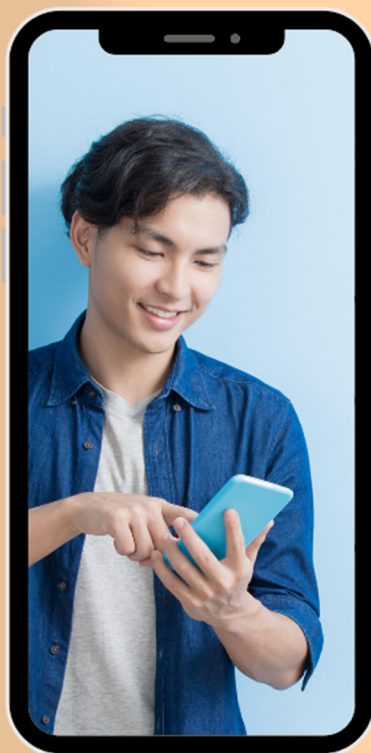

WHY? Heirs will pay taxes on these financial instruments.

On the other hand, IRAs are good assets to give to the Church or other charity when doing your estate planning since they will not pay a tax on retirement assets they inherit.

Making a planned gift of a retirement asset reduces the tax burden on a family. In addition, making a planned gift of an IRA is easy and affordable. All it takes is to update a beneficiary designation with a donor's bank or investment company.

For more information on tax-wise planned gifts, contact Barbara Kilarjian at 516-678-5800 ext. 257 or email her at bkilarjian@drvc.org This information is not intended and should not be construed as legal, tax or investment advice. About Raynham Hall Museum and The Culper Spy Ring

Raynham Hall Museum is a historic house museum located in **Oyster Bay**. It was owned by the Townsend family whose son, Robert, was a central member of General George Washington's Culper Spy Ring. The spy ring, conceived and operated by Washington, was an indispensable part of winning the war against the better financed and more numerous British forces. Robert Townsend was code named "Samuel Culper, Jr." and posed as a Loyalist in Manhattan while gathering information on British troop movements. The Culper Spy Ring is cited as a forerunner of today's Central Intelligence Agency.

Tiny Worlds, Grand Narratives: "History in Miniature" Exhibit Opens July 4th at Raynham Hall Museum

Miniatures have captivated people for thousands of years. History in Miniature examines dioramas and miniatures, investigating our fascination with small-scale creations. The exhibit explores the artistic process and skills involved in creating miniatures and the emotional responses they inspire. Visitors will take a journey across time and place from ancient civilizations to modern eras.

The exhibit is drawn from the collection of Richard Schuster, treasurer of the Board of Raynham Hall Museum. Schuster has collected, researched, and painted historical miniatures for over 60 years, and has amassed a collection of over 30,000 figures and scenics.

The exhibit features an opportunity for hands-on engagement with miniatures. Follow Raynham Hall Museum on Facebook and Instagram, check the website at www.raynhamhallmuseum.org, or call 516-922-6808 for more information and related programs.

~A NOTE FROM THE OFFICE FOR THE PROTECTION OF CHILDREN & YOUNG PEOPLE~

During a review of the Virtus report for St. Gertrude's, it was noted many Virtus accounts require updating. If you receive an e-mail from Virtus instructing you to log into your Virtus account, IT IS LEGITIMATE - THIS IS NOT A SCAM!!!

If you remain active in ministry **and** it has been five years (or more) since your prior background screening was performed; it is time to be rescreened. Please log into your Virtus account: www.virtus.org If you forgot your user ID and password, Virtus will provide instructions.

After logging into your account, you will be prompted to electronically acknowledge the Diocesan Codes of Conduct and complete the background screening application. Please follow all the instructions on the application and hit the submit button when completed.

During the pandemic shutdown, the Diocese established the on-line background screening process to facilitate remote screening. The company providing the screening is Sterling Solutions. During the application process, you will be creating an account with Sterling and will have access to your screening report when completed. The Diocese does not screen your financial information—the Fair Credit Reporting Act is the name of the legislation protecting your rights as a consumer. Unfortunately, this is poor choice for the title of the legislation, as many believe we have access to your financial information—we do not!

Finally, if you are active in a ministry with children/youth: Catechist, Coach, Boy Scouts, Girl Scouts, Youth Ministry; you are required to participate in on-going Virtus training. To facilitate this, the Diocese has made available monthly articles you are required to read. These bulletins/articles are attached to your Virtus account, you will receive a monthly email reminder to log into your account and complete the article. When completed, please answer the question and hit submit. Your account will be credited with completion of this requirement. Each article contains useful information pertinent to today's children and youth.

If you have any questions, please send me an email: mmcmahon@drc.org
Thank you.

Why Catholic Education?

We nourish the mind and spirit of every child. A creative academic program and powerful spiritual guidance are the heart of every day at Long Island Catholic Schools. Our commitment to strong, individualized instruction, enhanced by advanced learning technologies, ensures that all children receive the personalized attention that builds knowledge and self-esteem in addition to the skills and study habits that prepare them for the academic challenges ahead. Daily teachings of faith bring spiritual values to life and foster in children an active and humane concern for others.

Early Childhood Program—Nursery (age 3) and Pre-K (age 4)

We guide children on the path to more fulfilling lives. Our academic rigor, emphasis on spiritual values, along with our commitment to extracurricular growth opportunities, all combine to give children the knowledge, skills, and confidence to go farther. The result? Higher performance in the classroom and on recognized standardized tests and an exceptionally high rate of college admissions. More important, our students become well-rounded individuals who go on to lead successful personal and professional lives and who become active, caring members of the community.

Catholic Elementary School Education

An elementary education at a Catholic school engages children at an important formative time in their lives. They are learning information, but it is much more than that. They are learning about themselves, about their place and purpose in the world, and about their obligations to others. Catholic school stands out as a place that addresses all of the relevant aspects of a young person's life. A Catholic school's broad charter allows us to 'educate the whole person', in mind, in body and in spirit. It is a difference that creates an advantage for their entire life.

Catholic Middle School Education

Grades 6,7, and 8 can be difficult but rewarding years for students. Through our schools, we encourage authentic growth: leadership, academics, faith, contributing to their parish, and exploring sports and extracurricular activities. Taking the reins of leadership! The move from elementary school to middle school marks the beginning of a new set of expectations and a new world of opportunities. Challenging academic curriculum, inspired Catholic teachings, and an array of new after-school activities give each student the intellectual, spiritual and social preparation needed for greater achievement in high school, college and beyond.

Catholic High Schools of Long Island

It's the education of a lifetime. Nine Catholic high schools on Long Island present their own unique opportunity for students to explore a faith-based education that challenges, inspires, and prepares them for college, careers, and life. The total experience makes the difference in a Catholic education. Families are strongly encouraged to attend Open House programs held at each Long Island Catholic school to learn first-hand about programs, facilities, faculties, activities, and the character of each institution. If you cannot attend an Open House, please contact a school directly. All of the high schools located on Long Island use the Catholic High Schools Entrance Examination for admission into 9th grade. Rigorous academic learning is reinforced at each of Long Island's Catholic high schools with engaging extra-curricular activities and a strong foundation in faith. These high schools offer a wide range of exciting choices for families considering a Catholic education. Guided by talented and dedicated religious and lay teachers, a Catholic education helps each student to test abilities, add skills, build confidence, and develop his or her understanding of faith. Start your journey now!

As You Plan Your Future, Please Consider a Legacy Gift to Our Parish

The principle of Stewardship is frequently discussed in Catholic circles, both among the laity and Church leadership. Stewardship is based in scripture and in Church traditions. Stewardship flows from our gratitude to God for the gifts, with which we have been blessed. We show our gratitude by being generous in our response with our time, talent, and treasure.

We would like to encourage you to consider ways that you can leave a lasting legacy by making a planned gift to our parish or other Catholic Ministry.

You may be asking yourself what a planned gift is as it can be a confusing term and it is often misunderstood. Very simply, planned giving describes a donor's commitment to transfer capital assets to a qualified religious organization or other charity. More often than not, a planned gift is made by means of a formal agreement or contract.

Planned gifts are normally made from the donor's accumulated wealth as part of an overall estate plan. The most common form of a planned gift is a bequest provision in a Will.

Many Catholics find the idea of making a planned gift to their parish appealing. Parishioners often wonder how to go about making a planned gift and they have other questions about doing this.

Faithful parishioners have found that naming the parish in their Wills or Trusts to be a very fulfilling way to show their appreciation for what the Church has meant to them. Some parishioners have left planned gifts in memory of a loved one or close friend. Others have made a bequest to support a particular parish ministry, or outreach.

Individuals who make planned gifts often enjoy significant tax advantages from their giving. Still others find that once their surviving family receives a reasonable inheritance, leaving a bequest to the parish is a fulfilling way to show their gratitude for God's blessings and leave a spiritual legacy.

Please give thought to remembering your parish in your estate plan. It is a beautiful thing to do for future generations!

“Getting Ahead in a Just-Gettin’ By World”

An Invitation to Serve, in the District Council of Nassau North
We all know how the Society of St. Vincent de Paul regularly provides charitable assistance to neighbors in need. Beginning with the home visit, Vincentians perform numerous good deeds, many of which involve financial assistance (rent & utility bills), immediate needs assistance (food, furniture, etc.) and also counseling.

However, the challenges facing those in poverty are ever more acute today. The “Getting AHEAD” program, offered by the Society of St. Vincent de Paul across the country, is one approach to help these neighbors rise above the “tyranny of the moment” or crisis mode in which they are too often bound. It also answers the questions raised by many Vincentians: “What more can I do for my neighbor beyond the traditional home visit?” and “Is there a structured process I can become involved with that would make a difference?” If you are interested in joining, please email: svdpstgertrudes@gmail.com
