Returning Thanks: Reflection of the Twenty-Eight Sunday in Ordinary Time:

A foreign leper is cleansed and in thanksgiving returns to offer homage to the God of Israel. We hear this same story in both the First Reading and Gospel today.

There were many lepers in Israel in Elisha's time, but only Naaman the Syrian trusted in God's Word and was cleansed (see Luke 5:12-14). Today's Gospel likewise implies that most of the ten lepers healed by Jesus were Israelites—but only a foreigner, the Samaritan, returned.

In a dramatic way, we're being shown today how faith has been made the way to salvation, the road by which all nations will join themselves to the Lord, becoming His servants, gathered with the Israelites into one chosen people of God, the Church (see Isaiah 56:3-8).

Today's Psalm also looks forward to the day when all peoples will see what Naaman sees—that there is no God in all the earth except the God of Israel.

We see this day arriving in today's Gospel. The Samaritan leper is the only person in the New Testament who personally thanks Jesus. The Greek word used to describe his "giving thanks" is the word we translate as "Eucharist."

And these lepers today reveal to us the inner dimensions of the Eucharist and sacramental life.

We, too have been healed by our faith in Jesus. As Naaman's flesh is made again like that of a little child, our souls have been cleansed of sin in the waters of Baptism. We experience this cleansing again and again in the Sacrament of Penance—as we repent our sins, beg and receive mercy from our Master, Jesus.

We return to glorify God in each Mass, to offer ourselves in sacrifice—falling on our knees before our Lord, giving thanks for our salvation.

In this Eucharist, we remember "Jesus Christ, raised from the dead, a descendant of David," Israel's covenant king. And we pray, as Paul does in today's Epistle, to persevere in this faith—that we too may live and reign with Him in eternal glory.

PRESCHOOL: Another shortened week due to the holiday, but it was jam packed! The classes have started to do the Halloween countdown with projects on that fun holiday. Miss Carmela's two year old class made pumpkins and spiders. Miss Meredith's three year old class made ghosts and donuts for the letter D. Miss Michelle's threes made black cats for the letter C and a project on dental hygiene. Miss Ashley's four year old class started their study of the alphabet this week with the letter A. They made alligators for A, wrote letters to the teachers and made cows as part of their enrichment day. Miss Janice's fours made leaves, apple trees and pumpkins. The three and four year old classes were treated to a visit from Dr. Chuck the dentist, who brought his puppet to teach the children about good dental hygiene. The four year old classes also had a visit from Rich the postman, as part of their community helpers unit. Rich brought a helper, as this is his last year of visiting since he is retiring.

**"Getting Ahead in a
Just-Getting By
World"**

**An Invitation to Serve,
in the District Council
of Nassau North**

We all know how the Society of St. Vincent de Paul
regularly provides charitable assistance to neighbors
in need. Beginning with the home visit, Vincentians
perform numerous good deeds, many of which
involve financial assistance (rent & utility bills),
immediate needs assistance (food, furniture, etc.) and
also counseling.

However, the challenges facing those in poverty are
ever more acute today. The "Getting AHEAD"
program, offered by the Society of St. Vincent de
Paul across the country, is one approach to help these
neighbors rise above the "tyranny of the moment" or
crisis mode in which they are too often bound. It also
answers the questions raised by many Vincentians:
"What more can I do for my neighbor beyond the
traditional home visit?" and "Is there a structured
process I can become involved with that would make
a difference?"

We have an interlibrary loan service, lectures in the library, and even some online content (such as podcasts) that you could take advantage of. If you are within driving distance, you are also welcome to apply for a courtesy card and borrow materials directly when you visit.

Our collection began years ago as strictly an academic library, but since the priestly formation program changed a few years ago (and our seminarians moved up to Yonkers), we have varied the collection a bit so that it can appeal to the general reader wanting to deepen their faith. Our book collection includes lots of books on spirituality, saints, popular apologetics, and so forth. We also have current Catholic periodicals, sacred music on CD, and even DVDs.

The *IRA Charitable Rollover* is back and is now permanent!

What's called a rollover is actually a "qualified charitable distribution" that can be made to our Parish.

If...

You are at least 70 1/2 years old on the date you make your gift

Your IRA is a traditional or Roth

You don't exceed your personal maximum of \$100,000 per year in qualified charitable distributions

You will not have to report your distribution as income. It will be free of federal and New York State income tax, and it will count toward your required minimum distribution (RMD).

The best way for you to start is with your IRA custodian. Tell them you want to make a "qualified charitable distribution". In most cases you will only have to fill out a simple form.

VERY IMPORTANT!! Your gift must go directly from your IRA to the Parish. If you receive the money first then you'll be taxed on it like any other distribution.

Example: Mrs. Connors, age 76, has \$125,000 in a traditional IRA and would like to contribute \$5,000 to her Parish in 2016. Upon hearing of the Charitable IRA Rollover opportunity, she directs the custodian of her IRA to transfer this amount not later than December 31, 2016 directly to the Parish as a 2016 gift. She will not be subject to income tax on her \$5,000 qualified charitable distribution.

This information is not intended and should not be construed as legal, tax or investment advice. For such advice, please consult an attorney, tax advisor or investment professional.

Wills and Bequests have the power to impact future generations. It's so easy to include our Parish in your Will and still provide for loved ones. You may be able to make a simple bequest by adding the following language:

"I give and bequeath the sum of \$ _____ (or the % of), to be used for the general program of St. Gertrude Parish, a Catholic Church in the Diocese of Rockville Centre."

Ensure the future vitality of our Parish with your charitable bequest or consider other Estate Planning options, such as designating our Parish as beneficiary of a life insurance policy or an IRA account.
